I, Timothy Galligan, hereby declare and state the following:

1. I reside in Easton, Bristol County, Massachusetts and I recently obtained my LTC issued by the Commonwealth of Massachusetts.
2. I am seeking to purchase my first firearm from a licensed firearms dealer.
3. I believe that a firearms dealer will provide me with expertise and professional guidance on my first firearms purchase. I do not trust a private person selling a firearm on the internet to give me honest advice on what firearm would be best for me.
4. I feel that it is important to build a relationship with a firearms dealer who can provide me with advice and guidance on future purchases as well as updates on new products, product recalls and new regulations that I should be aware of.
5. I know that a firearms dealer will give me proper instruction on how to operate, clean and safely secure my firearm. I do not trust or expect a private person selling a firearm on the internet to show me how to operate the weapon safely.
6. I am aware that there are numerous laws governing what types of firearms a person may lawfully possess in Massachusetts. I believe that an established firearms dealer will only sell me a firearm that is lawful to own in Massachusetts. I do not trust a private person selling a firearm on the internet to know whether or not the weapon he is selling me is legal to own.
7. I declare under the penalty of perjury that the foregoing is true and correct.
